

cleaning up

Description

The time we have until the boat trip is all about cleaning up. We have renters renting our house while we are away so the famous quote in our house is “if you don’t have anything to do CLEAN!!” First I started with my closet. Boy, that was scary! Then I cleaned out my desk. My mom helped me with my closet but the desk I did all alone. It took me 1 hour. Before the cleaning of the desk my room was all nice and clean. This is the after math:
