

The Baths by Mira

Description

Hi everyone. Sorry I didn't post earlier. Things have been so busy lately. Anyway on December 1, we all went to the baths. We sailed from Normans Island to Virgin Gorda (that's where the baths are). We brought our friends Calan, Liam, and Sam with us. Calan is a 10 year old boy. Liam is a 12 year old boy- Calan's brother. Sam is also a 10 year boy (lucky Peter) who is British! Sam brought his uncle to watch over him. And trust me, he needed it! So we picked up this mooring there and swam ashore. That is all I can tell you. This video will tell you the rest. But don't worry it is awesome! [CLICK HERE](#) to watch our video. So do you want to go to the baths? Maybe not? No don't answer that. It is a rhetorical question. Well I got to go! Here is some pictures of the baths you can look at. Over and out!
