

On the first day

Description

I had to wake up at 4:30 in the morning. I did not like that part. When I woke up I had to jump right in the car. Then we drove to the air port. Then we went to dunkin donuts and I got a donut and hot chocolate. Then we boarded the plane. On the way there I watched cartoon network. Then we went straight to the ferry to go to TORTOLA. When we got to TORTOLA we went through customs and finally got to the boat. Then we went to diner at the PEG LEGS. There were soccer nets on the sand. Then we went to bed.
