

Mira's Dominica Videos – Enjoy!

Description

Hello from Mira! Sorry that there have not been a lot of posts so far. I been working on these videos for along time so that's why they haven't been posted sooner. My dad already [did a post on Dominica](#) so I won't write that much. I had to make 2 videos or else it would be to long. The first one is the north tours. The second one is Spesh and Sea cat tours. Hope you enjoy!!
